

### Timeline for Revisions to the National Board Certification Process

In 2014, the National Board will begin rolling out changes to the certification process, with the first two components of the revised certification expected in the 2014-15 school year.

#### Highlights

- Candidates must apply by Dec. 31, 2013 to apply under the current process. The new process will only apply to first-time candidates beginning in the 2014-2015 cycle. Applications for the new process will be available in the spring of 2014.
- Retake candidates will continue under the process they started.
- Take One! will be available for the last time in 2013-14. Scores received in 2014 cannot be applied toward full certification.
- The process for renewal will not change until the 2016-17 cycle.
